

FLEXIBLE DESIGN, COMPACT SIZE FOR KEYBOARD STORAGE

Designed for limited depth, straight worksurfaces and shallow keyboards that are less than 6" deep. The compact design makes full storage possible on 17" tracks in installations such as benching situations or shallow tops. The removable palm support adjusts easily from side to side to accommodate both right or left mouse use. Includes our Pinnacle 2 Value adjustable keyboard arm with nylon glide track. Ultra-thin phenolic platform with integral mouse trap backed by our lifetime warranty provides years of dependable quality and performance.

The Compact Platform allows for both right or left handed mousing.

Integral Mouse Trap keeps mouse in place even with platform tilt.
