

BASIC SOLUTION FOR AFFORDABLE KEYBOARD SUPPORT

The Fundamentals system was designed with versatility and value in mind and is a great option for use in straight work center applications.

The platform is constructed from durable .625 melamine laminated particle board, features a memory foam palm support and is left and right hand configurable. The system also features our Fundamentals keyboard arm with smooth performing nylon glide track in 17" and 22" lengths.

The Fundamentals keyboard system comes with a Lifetime Warranty, ensuring years of reliable, worry free performance.

Featuring the Fundamentals 173 Arm with independent height & tilt adjustments.
